Dear Valued Client,

While we strive to manage costs wherever possible and to minimize any price increases to our clients, we find it necessary to raise our therapy fees. We have not raised the fees since we started offering services in 2011.

Due to industry standards and the increasing costs of providing services and obtaining insurance reimbursements, the following changes will take place on any appointments beginning October 1, 2020:

Intake Assessment (1st appointment only) - **\$150**
Individual Therapy 16-37 minutes - **\$65**
Individual Therapy 38-52 minutes - **\$95**
Individual Therapy 53+ minutes - **\$130**
Family Therapy - **\$105**
Group Therapy - **\$40**

This increase will allow us to maintain quality and service standards. We wish to thank you for entrusting in our services and look forward to the privilege of seeing you in the future.

Sincerely yours,
